**AND GENERAL**  
**PUBLIC**

Due to COVID-19 concerns, Richmond fire stations are closed to all visitors and the public, with the exception of emergency walk-ins. Like you, Richmond firefighters are following the recommendations of the CDC and practicing social distancing in order to stay healthy so we can continue to provide safe, effective, and efficient service to our community.

Hand-washing, regular disinfecting, and social distancing continue to be your best defense against this virus. If you are sick, stay home. If you are sick and it's an emergency, inform the 911 operator of your symptoms.

**Emergency walk-ins will still be accepted, triaged, and treated accordingly. Ring the bell and if the crew is in quarters, a firefighter will respond**
