The health and wellbeing of our community members and personnel are important to us. Are you feeling any of the following symptoms?

Feeling Sick  Breathing Problems  Fever

If so, please follow these steps:

1. Ring doorbell
2. Step behind the red line
3. Wait for a responder
4. The responder will advise you on how to proceed

Thank you for following these steps. This allows the 1st responders to assess the situation and take the necessary steps to ensure you are well taken care of while limiting exposure to the public and 1st responders.
