## COVID-19 PROCEDURE MANUAL Op Period 4/22-5/6

### Updated guidelines for operations and administration related to COVID-19

This Special Order updates the **Response Checklist – COVID 19** to the **COVID-19 PROCEDURE MANUAL** for the operational period of 4/22/2020 through 5/6/2020 and supersedes earlier versions of the manual. This COVID-19 PROCEDURE MANUAL is based on the latest understanding of this outbreak and, as conditions change, the manual will also be updated. The current checklist contains the operational period in **ORANGE** at the top of each page. The updated document is contained within SO 20-009F Attachment A.

This is a living document and any recommendations for improvement should be submitted to the EMS Division. Any updates will be released by supplemental Special Order. Please review this document at the start of each shift.
